

PREMIUM CHILEAN WINE

Narrow Valley

*“Bringing wines to you from the exceptional and unique terroirs of Chile. With an average of only one hundred and fifty kilometers from the snow-covered Andean peaks to the cold Pacific Ocean, **a true Narrow Valley**, Chile has the most diverse conditions to produce distinctive wines from a wide range of places, climates and grape varieties”*

Alan Epstein & Nicolas Saelzer

PREMIUM CHILEAN WINE

Narrow Valley

CABERNET SAUVIGNON

2013 • COLCHAGUA VALLEY

Intense aromas of black and red fruit, dry figs and vanilla notes. Great balanced palate with round and friendly tannins and an elegant persistent finish.

RESERVA

13.5 ALC. VOL.

NORTH - Atacama, 760 miles north of Santiago is the driest non-polar desert in the world.

SOUTH - Torres del Paine, 1.186 miles from Santiago is the 5th most beautiful place in the world by the National Geographic.

EAST - Santiago (capital), with the Andes background and the tallest building in South America.

WEST - Pacific Ocean coastline at Viña del Mar city, just 60 miles west of Santiago.

MISSION:

We live wine! Our passion moves us to search for the best wines Chile can produce. Our aim is to offer you friendly wines, with great prices and superb quality, a combination that will greatly enhance your joyful moments.

REASON:

Narrow Valley Wines was established in belief that we can bring our wine lover friends around the world the best combination in wines that Chile can produce. We are wine professionals with vast experience and, as you are, we are consumers too. This balance and sensitivity, together with our passion and motivation is our guarantee to the quality and friendly style of our wine portfolio. Excellence, service, quality and people are treasured values as part of our dedication to wine.

ORIGINS AND LOCATIONS:

We are based in Calera de Tango, sub-region of the internationally acclaimed Maipo Valley, and just a few kilometers from the Maipo River. We also work with great partners and friends with the purpose of offering a portfolio of selected wines coming from renowned origins such as Casablanca, Colchagua and Curicó valleys.

CABERNET SAUVIGNON RESERVA

AGEING:

This wine was aged using French and American oak to increase depth and complexity.

TASTING NOTES:

This Cabernet Sauvignon has a deep ruby red color. In the nose it shows intense aromas of black and red fruit, dry figs and vanilla notes. It has a well-balanced palate with round and friendly tannins and an elegant persistent finish.

PAIRING SUGGESTIONS:

Great to enjoy with pastas and red meats.

CHARDONNAY RESERVA

AGEING:

This wine was aged using American oak to increase depth and complexity.

TASTING NOTES:

This Chardonnay has an attractive yellow color with hints of green. In the nose has tropical fruit aromas that remind mango as well as some citric fresh notes and light vanilla. In the palate is well balanced, clean, fresh and lightly creamy on the finish.

PAIRING SUGGESTIONS:

Great to enjoy with seafood, fish, pasta and cheeses.

CABERNET SAUVIGNON

AGEING:

This wine was lightly aged using American oak to increase depth and complexity.

TASTING NOTES:

This Cabernet Sauvignon has a deep ruby red color. In the nose it shows intense ripe black and red fruit aromas together with plum and vanilla notes. It has a great balanced palate with round and friendly tannins and persistent finish.

PAIRING SUGGESTIONS:

Wonderful to enjoy with red meats and cheeses.

CARMENERE

AGEING:

This wine was lightly aged using American oak to increase depth and complexity.

TASTING NOTES:

This Carmenere has an intense violet red color. In the nose it shows aromas of ripe black fruit, pepper and vanilla. It has a delicious balanced palate with friendly and soft juicy tannins.

PAIRING SUGGESTIONS:

Great to enjoy with pastas, spicy food and cheeses.

MERLOT

AGEING:

This wine was lightly aged using American oak to increase depth and complexity.

TASTING NOTES:

This Merlot has an intense ruby red color. In the nose it shows intense ripe black fruit aromas. It has a well-balanced palate with flavors of black berries, soft tannins, nice acidity and persistent finish.

PAIRING SUGGESTIONS:

Great to enjoy with light foods such as pastas and white meats.

SAUVIGNON BLANC

TASTING NOTES:

It shows a pale yellow color with green tones. The nose is intense with aromas of tropical fruit, citrus and green chili. On the palate is balanced, fresh, lightly citric and mineral with a soft finish.

PAIRING SUGGESTIONS:

As an aperitif, with seafood salads, fish and pasta.

WHAT MAKES US DIFFERENT:

We are a young wine company, moved by passion to bring you the best. Our foundations are:

- We live wine
 - Passion
- Friendliness
- Great prices
- Superb quality
- Joyful moments

OUR COMMITMENT

Alan Epstein, born and bred in South Africa is a Mechanical Engineer from the University of Witwatersrand. Diplomé de Sciences Po in Paris he is also MBA from the Harvard Business School. More recently he spent time studying wine-making in Stellenbosch. After a lifetime in the Graphics Industry in Chile he and his wife Nory now enjoy their time between Santiago and making boutique wine at their vineyard in Maipo Valley planted with Syrah, Cabernet Sauvignon and Merlot.

Nicolas Saelzer, born in New York, studied design at The Art Institute of Fort Lauderdale and later business at Indiana University. He holds diplomas in Business, Marketing and Intermediate from the WSET. Nicolas worked in the Graphics Industry in the early days of Apple computers. In 2001 joined the Wine Industry in Chile holding managerial positions in premium wineries such as Errazuriz, Caliterra and Anakena. Nicolas and his wife Pilar have together seven wonderful children. They all enjoy outdoors in Chilean Patagonia.
